Dear Friends,

God is so good! I am very blessed and I am excited to share the progress of my ministry with you. *God's Heart International* is now incorporated as a nonprofit organization. I have been working with a wonderful and dedicated board of directors. A beautiful website is nearly completed and I hope you will be able to log on soon and check it out.

I will be traveling to Uganda CBC, (Charis Bible College Extension School), for an internship in February 2016 and returning in March 2016. This will be an experience that will help me in future endeavors in Nigeria and beyond.

Last year I visited and ministered in Nigeria and had a wonderful experience as I was received with joy. Lots of people were blessed. People are hungry for the Gospel. I am excited to report that I will be traveling to Nigeria in May of 2016. I hope to make connections with pastors and people there which will help to propel my endeavors when I go back again for an extended stay to establish *God's Heart International* there.

As a missionary/evangelist, traveling is vital, but can be quite expensive. The vision the Lord has placed in my heart is far too great for me to accomplish without your help. Please pray about becoming a supporter of my missionary efforts. We must get the Gospel to the people. *Mark:16:15-18, 20* "And he said unto them, Go ye into all the world, and preach the gospel to every creature . . . And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen." People need the grace/faith message and the good news of the fullness of what Jesus has done for them. I would greatly appreciate your prayers and any financial aid you can commit. Please consider becoming a monthly partner of *God's Heart International*. You will be sowing into good ground!

Thank you and God bless you! Much love, *Joy Okoye*
